

Introduction to Socially Engaged Design

A 1-Week Intensive Course | ENGR 490-003 / 599-003

Join the Center for Socially Engaged Design for a one-week, deep dive to learn and practice the methods of socially engaged design and earn course credit!

This intensive is offered fully online via ZOOM and MURAL.

This one week opportunity will be an open and collaborative environment (but at a distance!) where participants will be guided through the stages of socially engaged design. The format is a mixture of discussion, examples, hands-on activities, direct engagement with stakeholders and reflection.

Our Challenge

In this moment of crisis, can we challenge ourselves to re-imagine a more equitable, inclusive, and just local ecosystem? Towards this end, in this class we pose the question: How might we support the Ann Arbor and Ypsilanti area to uncover needs and address challenges that the ripple effect of COVID-19 will have on small businesses?

Instructors

Charlie Michaels, cmic@umich.edu
Associate Director for Experiential Learning

Ann Verhey-Henke, averhey@umich.edu
Strategic Director
